Fifteen cents

MRS. ELAINE DENNIS left her car idling in the driveway last Thursday morning while she went back into the house for some forgotten item. Inside the car were Richard Dennis, 8, and Dorella Parker, 2, who apparently slipped the car into gear, and it rolled into the stream in front of the house. The

house is located across the bridge which spans the stream across from the R & H Pontiac Garage on Cayuga St., Groton.

The children were taken to the Groton Medical Center by ambulance for treatment. (Photo by L. K. Wood)
